ABOUT ME

Hello! My name is Rizki Fiananda, a student in class XI RPL 2 at SMK PGRI 2 Ponorogo. I have a great passion for programming and aspire to become a full-stack developer. Since discovering the world of coding, I have found that building applications and systems is both challenging and exciting.

EXPERIENCE

- **LEARNING**
  - I focus on PHP with Laravel, using version 11 and integrating Vue.js 3 with Laravel Breeze and TypeScript. Additionally, I am exploring Django and React for Python-based applications.

- **2024-2025** **INTERSHIP**

  ARTAVEL - SURABAYA
  - My 8-month internship at ARTAVEL provided hands-on experience in software development and problem-solving.

EDUCATION

- **2014-2018**

  Ponorogo - Indonesia

  ### PT.HUMATECH TECHNOLOGY
  - I also participated in training by PT. HUMATECH TECHNOLOGY, where I deepened my knowledge of Laravel, learning best practices for building modern web applications.

- **2021**

  Ponorogo - Indonesia

  ### DBS FOUNDATION CODING CAMP
  - I joined the DBS Foundation Coding Camp, where I learned JavaScript from beginner to intermediate level, covering key concepts like functions, loops, and API integration.

EXPERTISE

- Management Skills
- Creativity
- Negotiation
- Critical Thinking
